5. Reports (attached)

1. Presidents Report (Including volunteer report and membership report)– Greg Robinson

Comment from Roy Jackson: encouraged further promotion of volunteerism.

Comment from Neil Phillips: the problem of a lack of volunteers is felt worldwide. Following the academic study of participation suggest the same for volunteers.

2. Treasurer's Report – Don Baker

Comment from Tom Lothian: congratulations to Don for pulling the books into line so quickly and effectively. It should be recognised that this is the first year in many years that the audit has been completed by the AGM.

3. Competition Manager's Report – Grant Jeffrey

- Thanks to Peter Grover for standing in as Competition Manager in the first half of the year.

- Thanks to Derek Morris for stepping in as coordinator of Dashing of Waters

Question from Neil Phillips: What is the progress on waterproof maps?

Response from Greg: will be tested this year at Vic Champs and Schools with cost benefit analysis to review.

Comment from Neil Phillips: It appears that future world championship events will need to include the use of waterproof paper.

Question from Merv Trease: There is a rule that intention sheets are completed. It isn't happening for many sheets. What will the VRA do?

Response from Greg: Lots of questions there. Will be difficult to enforce at present. The issue is an ongoing concern of the committee.

There was general discussion of intention sheets including the role of Navlight, Flight Plans and current need for intention sheets in search and rescue (we do). Also a suggestion of greater briefing and promotion.

6. Other Business

Motion: Move that the reports be accepted.

Forwarded: Peter Chen

Seconded: Ron Fredericks

Question from Ainslie Cummins: What is the status of the permanent course?

Response from Grant: we have the posts, and have heard from DSE that we will need to gain permission for every trip out there but it can start. Volunteers will begin being sought at the end of the AGM.
