THE ALIEN TREK 8hr ROGAINE – SATURDAY 20th JULY 2013 10am to 6pm

July's rogaine is set in the box-ironbark forests around Redcastle, about 20 kilometres north of Heathcote. Major Mitchell (who else?) was the first European to explore the area. He arrived in 1836, and by 1850 many pastoralists had settled in the district. Gold was discovered at Rushworth in 1853, and the McIvor rush near Heathcote soon followed. Since then the forests of the area have been used for many commercial purposes. Charcoal was produced from the 1850s by covering a fallen tree with soil and letting it burn slowly. The first eucalyptus distillery was built in 1874 and eucalyptus oil is produced to this day from mallee forests near Rushworth. From about 1920 to the 1970s the forests provided electricity and telephone poles that were used throughout Victoria. Over many years the production and transport of firewood, railway sleepers, and bridge and mining timbers were a major source of employment in the district.

The rogaining course and surrounding areas has several types of eucalypts, namely Red Ironbark, Grey Box, Yellow Gum, Red Stringybark, Red Box, Long leaf Box and River Red Gums. The poor quality soils and low rainfall (500-600 millimetres a year) mean that trees grow slowly. For example, Austral Grass-trees, which can live up to 600 years, grow an average of only 1 to 2 centimetres annually. Rogainers reaching the north of the course could see the miniature forest of these beautiful plants. The forest contains a variety of native peas, grevilleas, heaths, grasses and orchids, although flowers are relatively scarce at this time of year. Larger plants found in the area include cherry ballarts, sweet

bursaria, and several wattles and hakeas. The bush is home to some uncommon or endangered mammals and birds, such as the Brush-tailed Phascogale, Squirrel Glider, Swift Parrot, Powerful Owl, Painted Honeyeater and Regent Honeyeater.

The hash house site is known as Alien Camp. During the Second World War prisoner-of-war camps were established at Graytown and other places in the district. The Graytown camp initially housed about 250 Italian POWs and later German POWs. The Germans were mostly crew members from the raider ship Kormoron, which had sunk HMAS Sydney off the Western Australian coast.

The bush around Redcastle is ideal for rogaining. The course is entirely within native forest, part of which is in the Heathcote-Graytown National Park. There are no fences, the terrain is gently undulating and the undergrowth is sparse, allowing easy movement between checkpoints. Rogainers can choose navigationally safer routes by using the extensive track network. However, the subtlety of the terrain will challenge those who take direct routes to stay in touch with the map and not to let 'their feet move faster than their heads'.

The HH is at VicRoads Map 45 Grid F6,
near the cnr of Cherrytree Rd (going north
from the HH) and Graytown-Mt. Camel Rd
going east from the HH.

Location

The Hash House is about 130 km north of
Melbourne. The nearest town is Heathcote,
which is about 20 km south of the event
area. The event location has a gold mining
past, and the Heathcote area is known for
its vineyards and wineries.

Course

The course is entirely in native box
ironbark forest. Part of the course will be
in the Heathcote Graytown National Park.
The terrain is gently undulating with sparse
undergrowth allowing easy cross country
travel, but careful navigation is often
required.

Map

The map is based on the new VicMap
1:30000 series, with 10 metre contours
and aligned to Grid North.

Event Format

This is an 8 hour event finishing at 6:00
pm. You can try a little night navigation or
return to the Hash House by sunset.

Location

The course area is located 5 to 10 km south east of Bendigo and 145km from Melbourne CBD to the Hash House site. The terrain is very open spur and gully bushland with no fences. It is undulating and not steep.

Course

The course is set across a State Forest and a National Park. The two forest areas are separated by the Emu Creek and farm land along the creek. There are two 1km roads connection between the forests for the teams expecting to bag lots of Checkpoints.

Close in, the Check points are closer together. Further out they will be about a kilometre apart with the potential to be more challenging.

Event Format

These are two Separate Rogaines. Enter either day not both. Both events use the same map. Hash house catering will be provided at the conclusion of each event.

EVENT START TIME IS 10:00 AM, FINISH IS AT 4:00 PM, with Admin opening at 8:00am.

Map

The A3 map at a scale of 1:25000 with 10 metre contours. There is about 150 metres elevation variation across the course with mostly well defined spurs and gullies. The Map has more tracks mapped than our usual Rogaine maps however not all tracks are mapped and some are revegetating well. The accurate tracks are thank you to Bendigo Orienteers who have allow us to use this extra detail. The map will be of the normal Rogaine Maps Standards and appearance other than the extra tracks and dams. The extra track will enable you to decide between the direct cross country option or less often less direct track option.

Accommodation

There are plenty of accommodation options in Bendigo and a hotel at Harcourt. Camping for volunteers at the Hash House site.

Report on Day Training, April 5th 2013

The day training was held at Birdsland Reserve on a cool day almost perfect for walking. Forty trainees were present together with three scouts and a leader with extensive navigation experience. In addition Cath Weir led a small group of her son and his Spanish father-in-law who did not have much English. The course was thus well used and even with this number there were no complaints of a crocodile effect. They managed to eat 3 .75 carrot cakes whilst they chatted after the event.

A lot of the trainees registered just before the deadline and thus there was a mad, last minute scramble to find extra trainers. Heather and I are really grateful to those who gave up their Sunday at the last minute. We can't thank Ainslie and Peter enough as they checked that all of the tapes were in place at the checkpoints

and with the help of Greg clearly marked out of bounds areas on the map. Grant as usual turned up trumps bringing the water heaters and tea, coffee and Milo from the store. The other trainers who gave of their time were Tim Dent, Alan Leenaerts, Paula and Steve Horton, Pam King, Don Baker, Andy Elam and Derek Morris

The out of bounds areas have caused us some confusion as we thought that paddocks South of the hashhouse with horses in them must be privately owned even though the map suggested that they were included in the reserve. A local man told me that Mr. Bird, a keen horseman, who donated the land to the council insisted that some of it be made available for agistment even though it is still in the reserve.

A reminder that night navigation training will be held later in the year. Watch the website for information.

Welcome to the July 2013 newsletter!

In case you were wondering, there wasn't an event in June. The VRA Committee decided that a number of Rogainers would travel to Cairns for the Australian Rogaining Championships.

Australian Rogaining Champs 2013 – Results

<http://adventuresportnq.info/arc2013>

The Aus Champs were held in Far North Queensland over the 22-23rd June. The event was situated wholly within private property about 40 mins from Cairns in primarily spur/ gully land with open woodland and some tall open forest. Feedback from the Victorian competitors was that it was great country side and a challenging Championship event. Our best placed overall Victorian was Kevin Humphrey (5th overall) with Andrew Baker and Brett Sparkes (7th overall). Serge Kurov and Maria Plyashechko was 4th mixed (8th overall) and Vic Sedunary and Merv Trease won the MSV category with Derek Morris and Ted van Geldermalsen coming in 3rd MSV place.

Congratulations to all who competed and well done. Victoria was equal second in the Interstate Trophy, with Western Australia winning this time. Lets hope that Victoria can redeem ourselves next year.

Next year the Australian Championships (ARC2014) are held in Victoria on 11-12th October, and the Committee is pleased to announce that the event will be held close to the Castlemaine region. We have set up a website with initial information here:

<http://vra.rogaine.asn.au/arc14/>

Dalyesford Dash 6hr - wrapup

A dry May weekend saw a huge number of people come up to the Daylesford Speedway for the 6hr rogaines set in the lovely Wombat State Park and Hepburn Springs Parks just outside Daylesford.

While it was initially damp on the Saturday morning during setup, the weather cleared to provide a sunny (but cold) weekend. We had a great turnout with approximately 700+ people attending over the two days. Sunday saw the Schools Championships, and please refer to the report later in this newsletter for details.

We had some very strong athlete take part and Saturday saw Damon Goerke and Jarad Kohler clear the course in 5hours 25mins. Sunday saw Rob and Kathryn Preston complete the course in 5:14 with Serge and Maria also visiting all checkpoints. Both winning teams were sharpening their navigation skills for the GeoQuest Adventure Race in NSW the following weekend in which they competed together as a team of 4 and went on to win. Well done everyone.

A big thank you to all the volunteers that assisted with the event, especially Paula and Steve Horton (Schools Championships coordinator), Ken and Anitra Dowling (Course and logistics), Grant Jeffrey (equipment), Karen Robinson (Admin), Gayle Davey (Catering). Big thanks to everyone who additionally volunteered their time and effort for the event.

VRA Annual General Meeting – Results

Thank you to everyone who attended the VRA Annual General meeting. I am happy to report that all Committee members (including the President) have volunteered once again and I hope that we have a successful 2013-2014 season.

Memberships and Event Fees update

A quick reminder that our event fees for all events after 1st July 2013 are as follows:

Event Date	6-12 hour (adult/junior)	15-24 hr (adult/junior)	Membership Novice/Indiv/House before 1st July
1st July 2013 onwards	\$30 / \$20	\$45 / \$22	Nil (no further membership fees)

See you at the next Rogaine.

Schools Champs

McKinnon makes a clean sweep at Daylesford Dash

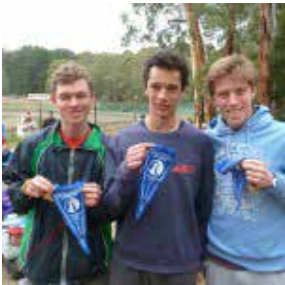

McKinnon Secondary College won all three trophies in the Schools' category of the recent Schools/Scouts/Cadets Rogaine Championship at Daylesford – the Neil Phillips Trophy (Boys), the Christine Hall Trophy (Girls) and the Sheahan Trophy (Mixed).

Their team of Year 11 and 12 boys – Peter Whalan, Nick Parkinson and Nathan Douglas won the event overall with a score of 1090 points in just over 4½ hours, narrowly beating last year's winners from Trinity who came in 16 minutes earlier with 1040 points. I guess that Patrick, Jono and Jeremy from Trinity (2nd overall and 1st Boys Yr.10 & under) planned too short a course and found themselves back near the HH with lots of time and nowhere to go; a problem that most of us have experienced at some event or another.

Three girls from McKinnon SC, Mary Krieger, Madi Batchelor and Eleri Morgan, were the best Girls team and 4th overall with a score of 770 points. Mary has participated in the Schools' event from Years 8 to 12, previously being a member of a winning Girls Yr.10 and under team. Madi was there for her second experience and Eleri was a first timer. All three girls are cross country runners and enjoy hiking and other outdoor activities. Both of these winning teams stuck mainly to tracks and were therefore able to move quite quickly throughout the 5 hours. The girls did become 'geographically embarrassed' between CP55 and CP41 where they had to cross the formidable Sailor's Creek (or were they headed for CP22?), but learnt their lesson and stuck to tracks after that.

McKinnon SC had two more winning teams for the day: Elizabeth, Hannah, Moran and Nora won the mixed Yr.10 & under category, and Ellie and Sofia won the Girls Yr.10 & under section. What a day for McKinnon!

Scott Barnard and Rohan Lambert from Sherbrooke Forest Venturers scraped in with 15 seconds to spare! They won first place in the Venturer category and were 5th overall with a score of 770 points. The Venturers Shield goes to the group with the winning Venturer (or Rover) team, so Sherbrooke Forest took home the Shield yet again. Well done guys!

08 - overall winners, Pete, Nick and Nathan

09 - Girls Yr.10 & under winners, Ellie & Sofia

10 - Girls Yr.11 & 12 winners, Mary, Madi & Eleri

11 - Mixed Yr.10 & under winners, Elizabeth, Hannah, Moran & Nora

(L-R) Joshua, Elizabeth (Patrol Leader), Christopher, Bowen and Rowena.

Hi there! I'm Nick Parkinson from McKinnon Secondary College and I, along with my teammates Nathan Douglas and Peter Whalan, was part of the team who won the overall event at the Victorian Schools Rogaining Championships held on the 26th of May. For Nathan and me, rogaining was a new experience. We both come from a cross-country background and so have had some experience battling the tough terrain that we faced at Daylesford. After many meetings at school and with the help of Peter, both Nathan and I grew accustomed to the skills needed for rogaining.

Our plan of attack was to not venture out too far as the ten points a minute penalty was a severe cost that we could not afford. Our first priority was to not get lost. We took constant bearings and attempted to stick to paths as much as possible. We only progressed once we were certain that we were heading in the right direction, not wanting to unnecessarily waste energy. Furthermore, we ran for most of the day and this could have contributed to our success. We took essential breaks to eat but aside from these scarce moments of blissful respite, we kept up a gruelling cadence. I think I can speak for all of us when I say the warm meal at the HashHouse was a much needed reward at the end of a long hard day.

This year's rogaine was a fantastic experience. The win was somewhat unexpected and hopefully we can come back next year and again, vie for the title.

1st Gisborne Ross Watt Scout Troop successfully defended the Scouts Trophy. Their experienced team of Elizabeth, Rowena, Bowen, Joshua and Christopher gathered an impressive 810 points, but unfortunately lost 50 of those to a late penalty. However, this still enabled them to come 6th overall and defeat the other 20 or so scout teams out there. A great effort.

The first Cadet team, Jacob Niven, Peter Etherington and Julia Mahon from 408 Squadron AAFC, East Ringwood accumulated 780 points on course but also suffered a late penalty – 80 points. Ouch! The Cadet Trophy goes to the Cadet Unit with the highest aggregate score from 2 teams and, fortunately for Jacob, Peter and Julia, another team from 408 SQN came in with enough points for them to win the trophy for the second year in a row.

It seems that Sherbrooke Forest, 1st Gisborne and 408 SQN have a bit of a stranglehold on the trophies. So the challenge is there for all the other scouting and cadet teams – see if you can wrench these trophies away from these groups next year and get your names on the plaques.

A total of 276 participants in 84 teams entered the Daylesford Dash event and the weather was perfect for rogaining – cool but no rain. The Schools' event always presents extra challenges and we are lucky to have the experience of Greg and Karen Robinson and all their team who did a great job coordinating the event and all the other jobs too numerous to mention. A lot of the feedback I got mentioned the great food after the event. Thanks Gayle. This annual event is a great opportunity to present our sport of cross country navigation to lots of new and young people.
