ENFIELD RUSH

The Nigel Aylott 24hr Victorian Rogaining Championship
Saturday 19th – Sunday 20th October 2013
8hr Non Championship Rogaine - Saturday 19th October, 2013

They sought gold here; they sought gold there
Those fortune seekers did not care – for gold they'd
look most anywhere.

Alluvial or deep, they laid the ground bare
For gold and riches to make life fair.

They all toiled hard on their mining plots –
some were lucky, some were not.
And treasures galore can still be found
on Berringa, Staffordshire and Enfield ground.

Old mine workings, wildlife to boot:
Wildflowers and emus – unlikely to scoot.
Can you believe – there's even more?
Multiple checkpoints to add to your score.

For those who have eyes for the rogaining prize,
Under sunshine and moonlight, to the occasion
should rise:

They must navigate well and be not too loafy
To get their hands on the Victorian Championships
Trophy

For competitive teams and those easy to beat –
Come and enjoy this rogaining treat.
We thank the Guy family for their beautiful site
Camping by lakeside and Hash House delight.

As you can see from our poem above
It's all there for you – an adventure you'll love.
So do come along, have a great day and night,
Rogaining through forests – in sunshine and
moonlight

(C & D – with apologies to poets and lyricists)

Event results are posted on the VRA web site,

For the grand finale for the 2013 rogaing season, this weekend in Beechworth is being planned to have a little something to appeal to all ages and abilities, so that you make the most of your weekend in this historic town that was the centre of prolific gold extraction over 150 years ago.

The 6 hour Gilded Shoes foot rogaîne on Saturday has a midday start to allow plenty of time for those travelling here from far afield, although we really recommend you arrive the night before to enjoy the array of fine coffee shops for breakfast before the event. The rogaîne will showcase both the history and architecture of Beechworth, and also the rugged granite boulder landscape of the Beechworth Historic Park and Beechworth Gorge.

On Sunday we have the 5 hour Golden Spokes Cyclogaine, with a finish time that will allow a comfortable drive back to Melbourne before dark. This course will give you a different perspective of Beechworth, then lead you into the forested hills towards the tiny town of Stanley.

For those competitors not wanting to exert themselves too much, there will be plenty of coffee shops, pubs and even some wineries on the courses, plus lookouts, creeks and waterfalls to enjoy. Special prizes will be awarded to the winners of the combined event. Some extra novelty checkpoints will increase the chances for anyone to win a prize.

Saturday Night

All rogainers are invited to celebrate the end of the rogaing year with dinner at the Bridge Road Brewery. With the best beer and the best pizza in town, we recommend everyone come along to wind down on Saturday night. Yes we will have some food to eat at the end of the rogaîne, but maybe not quite enough to put you

**Thank you to our event Sponsor
 Indigo**

off sampling the gourmet pizzas at the brewery. More details closer to the event.

Location

Beechworth is 285km northeast from Melbourne, just off the Hume Freeway east of Wangaratta.

Course

A separate map will be used for each event, although both events will include the whole of the Beechworth township so that they will be part metrogaîne style event and part bush and forest events. The Rogaine map will be 1:20,000 with an altitude range of about 300metres. The Cyclogaine map may be at least 1:30,000 with an altitude range of about 400metres.

Accommodation

The Hash House for both events will be at Baarmutha Sports Park in Beechworth. There is no camping at the Hash House. The town has a large range of accommodation, including two caravan parks and numerous motels and B and B's and holiday units and houses. Whatever your budget you will find something to suit. For more information about Beechworth attractions, services and accommodations, please visit the websites www.beechworth.com or www.beechworthonline.com.au

President's Piece

Greg Robinson

VRA President

Welcome to the October 2013 newsletter!

Wallabies in Wombat 6hr and 12hr at Blackwood- wrap-up
Congratulations to everyone who competed at the recent 6hr and 12 hr Rogaine in Wombat State forest. It was set in picturesque rolling forest area with lots of viewpoints. A big thank you to the Gavens / Leslie clan who coordinated this event (somehow while holidaying in Europe). Thanks to all the other volunteers who successfully put on this rogaine – we appreciate your help.

Paul Liggins and Nick Cimmins amassed a great score of 1350 to win overall and were closely followed by Alexander Cohen/Megan Dunn and then Helen Robinson and Graham Busch. This marks a second win in a row for Paul Liggins after also winning the Emu Chase rogaine in Bendigo in August.

Alister Meehan/Gleb Belov were successful in the 12 hr event (2370) by a large margin over Merv Trease/Vic Sedunary and then Rob Mason/Phil Giddings.

A big thank you to everyone who participated and the volunteers who assisted in putting on this Rogaine.

Next Event – Enfield Rush 24hr / 8hr on Sat 19th Oct
Located very close to Melbourne (1hour 45mins), this event will interest those who love to sleep in, get a coffee on the way and still be early to an event. Based in Enfield State Forest and with the course set by the very experienced course setter Derek Morris, this promises to be a 24hrs course worthy of a championship. Consider entering the 8 hr event and then volunteering to assist with the rest of the 24hr event. The course will allow teams to loop back to the Hash House site. This event is probably a good one to do to gain 24hr experience in the leadup to the Australasian Championships in October 2014.

2014 University Champs - Victoria

The VRA is pleased to announce that we will be running the University Championships in May in 2014.

Each year The Nigel Aylott Memorial Sports Foundation (NAMSF) supports university students to enter the event. NAMSF was set up in memory of Nigel, a keen adventure racer and roganier, to encourage engagement in these outdoor sports.

XPD Adventure Race

A big congratulations to Rogainers Andrew Baker and Kate Sanderson who recently competed in the 10 day XPD adventure race in the Flinders Ranges in South Australia. The challenge included roganing legs, mountain biking, rope work and kayaking. The course highlights included navigating across Lake Frome with one checkpoint in the middle of the dry salt pan more than 20km distance. How's that for a navigation challenge on a single bearing? Well done Andrew and Kate.

Beechworth November Rogaine – special deal

The VRA has decided to offer members a special deal for the Beechworth rogaine. A planned end of Season dinner is scheduled for the Saturday night, and any roganier can enter both the Saturday 6hr bush and Sunday 5hr cyclogaine events for only \$45. We encourage you to make the trip to Beechworth for this event. Guaranteed lovely countryside, a late start time to allow people to travel from Melbourne, and a good night out – what else could you ask for?

See you at the next Rogaine.

New Online Entry and Online Volunteering System

About the New Online Entry System

It's running as our default entry system this month. There is a link to old system which is planned to be turned off the year end. Give use your feedback. Email Phil Giddings on MembershipSecretary@vra.rogaine.asn.au

Why are we Introducing a New Online Entry System

For Rogainers entering a Rogaine there is not a lot of difference. That's good because you don't need to learn to use a new system. There are some small improvements listed below.

For our Admin Managers the benefit are significant. The New Online Entry System will be usable to do Event Administration. No need to learn how to use the old MASS in future. No need to wait until the data has been downloaded from the web to the laptop to start work. Also Admin Managers can work online enabling us to remain online for Late Entries and hopefully get back online again sooner after an event. Potentially we could do Event Administration online from the Admin Tent linked to the Web via a Mobile Phone or other wireless connection however no plans to do that yet.

For Rogainer there are a few new features

Online Volunteering is a feature of the new system that is now available. All planned future events will be visible and you can volunteer and select your volunteer T-shirt size online. Also more than one Committed Members will be able to update the roster online. More volunteers recruiting more volunteers. The Volunteer Roster will be link to the Web roster and updates will be immediate. You can still volunteer by contacting our Volunteer Co-ordinator, Karen Robinson. The benefit of doing it the old way for new volunteers is the discussion you can have about what the roles involve.

For Rogaines entering Rogaines the new features you will see are:

- You can log on using you Email Address and Password. No need to remember your Member number any more.
- You can see your last 10 events. If you have paid Membership it will appear as an event however these records will disappear with time as no one pays Membership any more. Go into View My Details and scroll down to view your event history.

Starting this month you will be linked to the new system to enter. The old system is still available just incase but hopefully no one will find they need to use it.

2HOUR OR 3 HOUR EVENT

The Victorian Orienteering Association offers an event for those who like bush cyclogaines.

CLONBINANE MTBO (Mountain bike orienteering) ENDURO

Sunday 24 November in the Clonbinane State Forest on the Mt Disappointment Plateau. Start time is 11 am.

Two time options are offered: 2 hours or 3 hours. Ride in pairs or as an individual.

This is a score event, with each control visited scoring 20 points. 5 points will be lost per minute late back.

There are 20 controls. We estimate that you will ride around 50km to get all controls.

The event will use mainly forest roads and 4wd tracks. Some of the 4wd tracks have extensive muddy sections after rain. These tracks are shown with the 'slow ride' track symbols.

The area nearest the start/finish area has fairly gentle contours. Further out the edges of the plateau provide some steep tracks.

Planning has begun for 2014 events. The Lead roles need to be filled and the calendar is open to choose a date early. Generally Rogaines follow the Full moon as night events benefit from moonlight and to do an event each month that is the cycle we are locked into.

The weekend of 12th and 13th October 2014 will be the Australasian Rogaining Champs host by Victoria. The lead Co-ordinator and Setters has been selected. Many more roles will need to be filled.
