## METROGAIN CYCLOGAIN – WERRIBEE

6hr Metrogaine 10:00am Start

5hr Cyclogaine 10:30am Start

SUNDAY 16th MARCH 2014

Many Melbourne residents associate Werribee with foul smelling open sewers, and crude sewerage treatment works. This perception of odour was accurate a half a century ago, but crude was never a word which could be used for the world class treatment system.

The story began in the 1890s, when Melbourne was arguably the richest and fastest growing cities in the world. However, the city was drowning in its own waste, and water borne diseases such as Cholera were rampant. With amazing vision, a treatment plant was designed more than 30 kilometers from the city, but how to transport the vast volume of sewerage over that distance? Remember this is the days of pick and shovel, and pressure piping was rare. The answer was a brick lined, gravity flow, open truck sewer, which follows the contours of the land, including when it crossed various streams and rivers. Today, the Federation Trail runs along this route, and one can only admire the quality of the brick work that has endured to this day.

The offensive odours are in the distant past, and the putrid

gasses are now collected and used as fuel for electrical generation, while the water is purified and used to help irrigate the vegetables that Melbourne consumes every day.

This Metrogaine/Cyclogaine event is set almost entirely on bicycle/walking paths which run beside the Werribee River, Skeleton Creek, Lollypop Creek and various floodways, all of which are becoming linear parks with varied vegetation and interesting man made features. The Federation trail ties many of these water ways together, so with a little planning, it is possible for participants to almost avoid suburban streets. The few check points which are not on the bicycle/walking paths, are intended to provide alternative connections between the waterways, while avoiding heavy traffic roads.

So if your vision of the west, is the blur that you see from the Prince's Freeway on your way to somewhere else, then come to this event and see another side of the west.

## President's Piece

**Greg Robinson**

**VRA President**

Welcome to the March 2014 newsletter!

I hope you have been training hard over summer and are looking forward to a fun-filled Rogaining season in 2014. This year sees the VRA hold the Australian championships in October, along with another 24hr warm-up event, and our usual mixture of Metrogaines and easy 6hr events close to Melbourne.

We chose to avoid holding a February event this year after last year's Metrogaine in Berwick was unbearably hot and dominated by flat tires. We will continue to review this decision each year. This year sees us kick off the season in March...

**Whyndham Waters 6hr Metro and Cyclogaine – 16th March**

Werribee is a great area for a Metrogaine or Cyclogaine. With a large number of CPs spread along rivers, creeks and floodways, the course will challenge those seeking an adventure and others wanting a good workout. It is a multiple choice style Metrogaine, so bring a pencil and your thirst for knowledge. Personally I will be wandering around trying to visit as many bakeries and cafes as possible.

**Taming of the Whroo 6/12hr – 12 April**

Our first bush event will be in the surrounds of Whroo just outside of Nagambie and only 130km from Melbourne. This is a generally flat area requiring subtle navigation skills.

**Navigation Training Day**

The next Navigation training Day is scheduled for 5th May in Birdsland Reserve. More details and signup

information on the website.

**Time to step down**

The VRA wishes Roy Jackson well after he has stepped down as Training Coordinator. Roy has been doing this job for as long as I can remember and was instrumental in continuing the training days.

Karen Robinson has also stepped down as the Volunteer Recruitment Officer. Karen has been on the VRA committee for longer than I can remember, and coordinated volunteers, t-shirts and all the other little details that help make a successful event.

We are currently looking for replacement for Karen and Roy, and if you would like to help out please contact me.

**Suburban Adventure - 1 hour Minigaines**

The VRA has been conducting a series of 1 hour minigaine events held in suburban Melbourne. Based from Scout Halls in the East and South Eastern suburbs, the events are an introduction to rogaining in a safe suburban environment containing large tracts of greenspace. The events are open to the public and tailored to the scouting groups, and priced at only \$2 per entrant. Start time is anywhere between 6-7pm and the event is self-timed and scored using a new electronic timing system. Information is on <http://street.orienteering.com.au/>

These are a good warmup for Rogaine events.

See you at the next Rogaine.

Greg Robinson

## IRF Rogaining Clothing and Merchandise

The IRF holds a limited stock of rogaining clothing and merchandise that it can sell at cost to rogainers. The purpose of these items is to promote the sport. The selection of merchandise is always based on using good quality articles. The aim has also to develop a simple but recognisable brand, and lasting consistent message.

Alternatively, associations might choose to use the design and make their own products locally if they need large numbers.

Your shirt size?

Take one of your favourite open neck (or polo) shirts and lay it out fully on a table (not carpet).

Measure from armpit to armpit in centimetres.

Then convert to a size as below

S	53.5cm
M	56
L	58.5
XL	61
2XL	63.5
3XL	66.5
4XL	70
5XL	73.5

This size for shirts can also be used for jackets below; generally move up one size larger for these jackets if in any doubt.

- a) Polo shirts, dark blue with logo (\$30). These shirts need careful washing on their first usage to avoid colour running.
- b) Softshell jackets with rogaining logo are available for sale AUD\$85. Different styles for male (layer jacket) and female (softshell).
- c) Polarfleece jackets with rogaining logo are new last year and for sale AUD\$35.
- d) Towels with rogaining logo available (AUD\$35).
- e) Personalised postage stamps being trialled by those using stamps [Australia only - selling at 60c each in batches of 20].

To order: let Neil Phillips know your size, what items you are seeking, and your mailing address. Payment will be by EFT to the IRF bank account.
